Small Business, Woman Owned Business

Commissioning Concepts is a dba of Mechanical Concepts, LLC, a licensed and insured Arizona Corporation. It is a legally defined and certified Small Business by the City of Phoenix and is also a non-certified woman owned company (certification has been applied for in 2010).

Commissioning Concepts (CxC) provides a diverse range of commissioning and energy related services to building owners. We have extensive experience in the industry providing sustainable commissioning services as a LEED AP[®] and as a NEBB certified commissioning firm. CxC is also certified as a NEBB Test & Balance firm providing system troubleshooting and correction services. The combined experience of past projects of Commissioning Concepts coupled with the experience of James Bochat, our principal, offers a broader range of experience and services than any other commissioning provider. This experience includes LEED Platinum, Gold and Silver project commissioning, standard project commissioning for HVAC, Building Controls, Plumbing, Electrical, Building Envelope, Fire Protection, Fire Alarm, Security and communication systems.

We have an extremely strong team with over 40 years of experience in designing, building, commissioning and operating building technical systems to provide the best service available.

Our services include:

- Commissioning
- LEED Commissioning
- Retro Commissioning
- Energy Reduction Retro Commissioning
- Comfort Improvement Retro Commissioning
- System Operational And Functional Testing
- System Assessments
- Certified Air And Water Balancing
- Energy Measurement & Verification Programs
- Water Measurement & Verification Programs
- Energy & Water Studies
- Thermal Image Studies
- Facility Operations Review
- Operator Training
- Preventive And Predictive Maintenance Programs
- Troubleshooting & Diagnostic Services
- System Repair & Replacement Services

As a summary of our qualifications:

- NEBB Certified Commissioning and Retro-Commissioning Consulting
- NEBB Certified Test & Balance Professionals
- Experienced LEED-NC & LEEB-EB Commissioning Consulting
- Member of BCA, Building Commissioning Association
- Member of USGBC
- Certified LEED-AP
- 40 plus years of experience
- Technical Cx Provider for HVAC, Plumbing, Electrical, Special Electrical, Life Safety, Green Buildings, Fire Protection, and Building Envelope Systems

Our projects include LEED Commissioning projects, border stations, medical centers, university facilities, laboratories, communication facilities, transit facilities, office facilities, commercial, entertainment, restaurants, and more.

We have the expertise and experience to provide Commissioning services for any size facility and any type technical system required. We strive for client satisfaction by delivering a finished and fully functional building.
